

Olivos

Olivos olive oil soaps are the natural artisan products made for the bath & body to soothe the body, mind, and soul. Korkut Oil Soap Industries Inc. is a corporation of Olivos, who is Turkey's export leader in packaged olive oil. Factory of Korkut has been established and still operates in Edremit. Edremit is the core location where Turkey's best olive oil produced and where traditional soap culture dates back to ancient times. Our factory is strategically is chosen in Edremit for protection of olive oil freshness (from natural habitat to bathrooms).

Olivos is the only Turkish company using 100% olive oil pressing in the soap manufacturing. Besides, Olivos is the only Turkish company owns Organic Certificate for soap bars.

Olivos is proud to offer elaborately manufactured 100% extra virgin olive oil soaps. Olivos Ottoman soaps are unique and licensed with original patters belonging to Ottoman Empire with prizes from global institutions. Olivos liquid soap provides perfect care for the skin and hands while nourishing silky and soothing action on the skin immediately. Great for all skin types, Olivos picks the best olives freshly from the land, serves the handmade soaps across the globe.

Olivos passionately uses only the selected ingredients with historical soap receipts, special soaps with Hammam Smell and many others passed through one generation to next generation, from grandfathers to grandsons.

Olivos goal is to produce the purest and the most natural 100% extra virgin olive oil soaps. We believe that all natural soaps should be beautiful, functional and elegant to use. All of Olivos soaps have a natural caring and firming effect on the skin and designed to calm, purify, reinforce and enrich the skin & soul.
