

ECO

BEAUTY RANGE

by basicare

ECO

Hand-made, Eco Range using environmentally friendly natural materials. All fully recyclable. Bamboo is the main raw material together with Loofah & Konjac.

Why Bamboo? –

Long revered as a symbol of longevity, strength, tenacity, and flexibility, bamboo is now a prime resource for sustainable eco friendly beauty.

Bamboo grows incredibly fast

- Bamboo plants produce a high yield
- Bamboo is stronger than hardwood
- Bamboo is better for the air
- Bamboo helps control soil erosion
- Bamboo is highly versatile
