

Thousands of years ago, people discovered the unique composition of the waters of the Dead Sea and realized their great therapeutic properties. Since then, people have been bathing regularly in the Dead Sea to enhance their health and beauty.

In 1989, a group of enthusiastic and dedicated nature lovers decided to make it possible for people around the world to share and enjoy the ultimate secrets of nature by exploring and utilizing the magic of natural minerals of the world's oldest and largest health and beauty store... the Dead Sea. It was then that Universal Labs was founded to bring the world a unique range of natural products based on fine ingredients from the Dead Sea.

Emphasizing the importance of the Dead Sea, this range of products was given the brand name C-PRODUCTS which, over the years, proved to be nature's finest recipe for the health and beauty!

C-PRODUCTS have been formulated following extensive research on the ingredients of the Dead Sea incorporated with other valuable resources of nature for the ultimate in skin care products. Every product is uniquely formulated and tested to give a very unique touch of the Dead Sea!

Universal Labs guarantees the quality of its products through strict selection of raw material and standardized production processes combined with the special know-how of a highly qualified and experienced team of professionals. Every staff member is dedicated to the highest standards of quality and perfection!

Hundreds of letters are received every year from satisfied customers all over the world complimenting the unique range of products and describing their fantastic experiences with C-PRODUCTS. Universal Labs Ltd., of course, feels very proud and rewarded... that is why they are always determined to achieve and maintain total perfection...
